

Privacy

Your privacy is important to Complete Power Systems. This privacy statement provides information regarding how we use and collect your personal information.

Personal Information Collection

Complete Power Systems may collect/use the following:

- Information about your use of this website, including page browsing. This website utilizes Google Analytics for the purpose of monitoring data on the type of website user traffic;
- Registration information and online purchases (including creation of an online shopping account);
- Information about transactions carried out over this website, including shopping in our online store, creation of an online Complete Power Systems account, signing up for our RSS feed, download of electronic files (such as mp3, pdf, jpg);
- Information that you provide for the purpose of subscribing to the website services, including RSS feed, online newsletters, blog; and
- Any other information that you send to Complete Power Systems for the purpose of browsing our web site pages.

Personal Information Use

Complete Power Systems may use your personal information to:

- Administer this website
- Personalize the website for you
- Enable your access to and end use of the website services
- Publish information about you on the website
- Send you products that you purchase
- Supply you files that you purchase
- Send you statements and invoices
- Collect payments from you
- Send you marketing communications

Where Complete Power Systems discloses your personal information to its agents or sub-contractors for these purposes, the agent or sub-contractor in question will be obligated to use that personal information in accordance with the terms of this privacy statement. Complete Power Systems will not disclose your personal information to third-party services for the purposes of marketing outside of our product line.

In addition to the disclosures reasonably necessary for the purposes identified elsewhere above, Complete Power Systems may disclose your personal information to the extent

that it is required to do so by law, in connection with any legal proceedings or prospective legal proceedings, and in order to establish, exercise or defend its legal rights.

Securing Your Data

Complete Power Systems will take reasonable technical and organizational precautions to prevent the loss, misuse or alteration of your personal information.

Complete Power Systems will store all the personal information you provide on its secure servers. Information relating to electronic transactions entered into via this website will be protected by encryption technology.

Cross-Border Data Transfers

Information that Complete Power Systems collects may be stored and processed in and transferred between any of the countries in which Complete Power Systems operates to enable the use of the information in accordance with this privacy policy.

You agree to such cross-border transfers of personal information.

Updating This Statement

Complete Power Systems may update this privacy policy by posting a new version on this website. You should check this page occasionally to ensure you are familiar with any changes.

Other Websites

This website contains links to other websites. Complete Power Systems is not responsible for the privacy policies or practices of any third party.

Please contact Complete Power Systems if you have any questions about this privacy policy or the treatment of your personal information.
